## Binder Requirements for Grades 7-8

2009-2010

### 1. General Subject Binder (stored in student's backpack)

*Provided By:* Parent

*Spine Size:* 1 1/2"

*Tabs:* one 8-tab set

*Type:* Extra-wide binder and binder tabs are **preferred**; otherwise, sheet protectors cover up the tab labels and make it difficult for students to locate items in their binder. The extra-wide tabs are usually easier to find on the shelves of office supply stores than extra-wide binders, and they can be used in regular binders. However, the extra-wide tabs extend out a bit past the edge of a regular binder, so tend to get worn more quickly. Ordering extra-wide binders and tabs online is easiest and most economical. Links to product samples are provided below to assist you.

*Tab Labels:*

<u>Sequence</u>	<u>Tab Label</u>
1	<b>Math</b>
2	<b>Grammar</b>
3	<b>Composition</b>
4	<b>Literature</b>
5	<b>Bible Memory</b>
6	<b>Latin</b>
7	<b>History/Geography</b>
8	<b>Science</b>

*Product Samples:*

Extra-wide binders and tabs are available **at a discount** from OnTimeSupplies.com. We did not find them on the Office Depot or Staples on-line web sites, and they were quite a bit more expensive on Office Max online for the same Avery brand product.
